Stop and have a picnic along the lake. Far from the crowds, we recommend to go to "Le Rocher de l'Américain"(Chemin du Gabinet - 83440 Montauroux). Here, you can swim, chill, rent a stand-up paddle, a pedalo or a canoe and enjoy.

Trust *Saint Cassien Aventures*. They also offer adventure games to do in family around the lake (included in the Pass Côte d'Azur)

The Fondurane biological reserve is on the east side of the lake where you can watch a wide variety of birds, from an observatory. Great activity to do in Family.
